School Report.

The number of scholars registered in our schools for the year is eighty-one.

The number of children enumerated by the Truant Officer, between ages of five and sixteen, seventy-six.

During the past year the schools have been fortunate in having to make only one change in teachers; this is always for the best interests of all concerned, for no teacher can do herself justice until she has made herself thoroughly familiar with all pupils and their capabilities.

We feel gratified with the sincerity and faithfulness of our teachers during the past year and know they have worked for the benefit of the children in their care.

The school year was necessarily shortened four weeks by so much school money going out of town, and the school board urges you, as parents, to do your part to see the children attend school every day possible, as our school year is shorter than that of the most of our neighboring towns.

The arithmetics have been changed during the year and an elementary geography added. Other changes were thought wise, but funds would not allow them.

ROLL OF HONOR.

Pupils not absent for three terms: Mildred H. Swasey, R. Lawrence Fellows, Clinton A. Smith.

Pupils not absent for two terms: Dora T. Robinson, Ruth G. Robinson, Ruth Stevens, Reginald Flanders, Norman B. Smith, Rinda James, Bessie I. Glidden.
